

SCHEDULE OF VALUES

EXHIBIT "E"

ATTACHED TO SUBCONTRACT AGREEMENT DATED _____,
 between GREAT ARROW CONSTRUCTION, L.L.C. and _____.
 ("Contractor") ("Subcontractor")

Name of superintendent or crew foreman to be assigned to this work _____

Indicate crew size and duration in days or weeks for each major division of the work:

Item	Description	Crew Size	Duration
1			
2			
3			
4			

The cost of any additional work performed by the Subcontractor or the deletion of any portion of the Subcontractor's work pursuant to this Agreement shall be determined by the Schedule of values and rates and unit prices as established in this part of Exhibit "E". The Subcontractor agrees that the costs in this Schedule includes all labor, material, equipment, tools, supplies, freight and shipping costs, taxes, insurance, and overhead and profit for the work to be performed and/or materials and equipment to be provided when directed to do so by a written Change Order from the Contractor.

Include unit pricing for all specified fixtures, equipment, materials, and the labor required for installation, connection, start-up, and job clean-up. Provide labor rates per hour to perform the specific work that will be required, including any overtime rates.

Item	Description	Quantity	Units	Materials	Labor	Total
